To Whom It May Concern:

This letter should serve as a 'Letter of Recommendation' for Clifford R. Kettemborough, Ph.D., for related professional purposes.

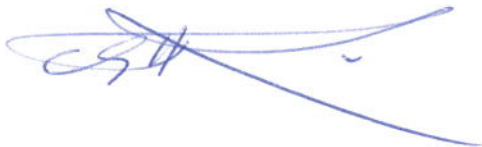

Couple of months ago, I have hired Clifford R, Kettemborough, a.k.a. Dr. Cliff, as a tutor for my 11th grade son. Since then he has been tutoring my son 4 hours per week, mostly Math, but also other subjects such as, English, Science, and History, as need it. For the past couple of weeks he also has started tutoring my son Math SAT, as he is getting ready for college.

Based on thus far work I have noticed a substantial improvement of my son as reflected in his grade letters received on quizzes and other formal exams.

Therefore, I would recommend to anyone Clifford R, Kettemborough as a knowledgeable, skilled, overall good tutor, punctual and with a professional demeanor.

Should anyone have any additional questions, please contact me at the above provided phone number.

Sincerely,

A handwritten signature in blue ink, appearing to be 'S.L.', with a long, sweeping horizontal line extending to the right.
